Nina
Continue: Using Jira, meeting up daily (zoom/in person)
Stop:
Start: Considering "drinking meetings' to sprint length,
planning my work accordingly to amount of time i have(finishing up my tasks)

Juste
Continue: Meeting
Start: partying in the middle of everything.
Stop: Not finishing Grpc(me)

Christian
Start: Maybe working more from home?
Stop: partying in the middle of everything.
Continue: Working together on complicated stuff

Ignas
Continue: on asking christian for help, guy seems to know whats up
start: learning about the jwa stuff and how to put it in ?
Stop: drinking
